Accessories

AQUA REEL TANK

225-310

Available in 125 gallon capacity. This space saving design of only 35" in width has a powder coated frame with a rotational molded polyethylene tank. It features a 250' live solution reel and a 250' electric vacuum reel as well as an auto fill.

HYDRO-WELL III FRESH WATER TANK

225-210

Available in 100 gallon capacity. Made from heavy duty rotomoulded poly with built in baffles to reduce water movement. Transparent tank allows for water level monitoring. Integrated into the tank are molded in areas for two 5 gallon buckets and five 1 gallon jugs.

EXTERNAL C.A.D.

237-040

The external auto drain will produce a 8 GPM flow rate and is designed with extra large valves that allow debris to pass through without plugging, to keep you working without interruption. Prewired, ready to install.
